

WORDFINDER
PUBLIC RELATIONS & SALES ENFORCEMENT

LETTER OF RECOMMENDATION

Dear Sirs and Madams,

It is our pleasure to confirm the company WORTFINDER, located in Hamburg, that we have been able to repeatedly generate new and additional business through the PR tasks conducted by WORTFINDER throughout the year 2005.

In specific this means:

PR does not only cost us money – it also actively generates it!

It's not uncommon that 5 – 7 direct returns are generated from a newly published article. Thus, all returns are of exceptionally high quality and partially characterized by tangible market demands. As a middle-sized software business, PR with WORTFINDER makes up a significant and successful part of our sales activities.

Upon request we would be glad to personally confirm these circumstances for any business interested in cooperation with WORTFINDER under the telephone number: +49 731-946 76 22.

With best regards,

Bernd S. Kirschner, Business Manager, Associate
of the Geschäftsführungs-Systeme GmbH
