

RESELLERS, DISTRIBUTORS, MULTIPLIERS – LET OTHERS WORK FOR YOU!

BRIEFLY

Wordfinder conceptualizes a partner program including the conditions suitable to the respective markets in exactly the same way as partner profiles of potential resellers and distributors. Following, we will acquire competent partners. This will be affected through passive calls and advertisements in the market and via actively contacting prospective partners, such as through telemarketing.

INCLUDED ARE

Comprehensive market analysis of your products and services. Jointly with you our Wordfinder specialist in the reseller/partner area, will draft the appropriate conditions and contracts for the respective resellers and partners. The reseller acquisition runs on a national and international level with concentration in the European market.

YOUR BENEFITS

- Our many years of experience and expertise in the national and international reseller business
- Only suitable partners with established customer topology
- Multiplying your turnover
- Entry into new international markets, such as the EU
- If desire, expanded liaison and support of resellers/partners including an active partner program

WHY CHOSE WORDFINDER?

Only with active suitable resellers/partners, will the reseller business function profitably. Here the principle spells to demand, but also to support. With Wordfinder, you will contract with a suitable service provider in order to initiate a reseller/partner program. Your entry into the international market also means immediately increasing your sales.

YOUR ADDITIONAL BENEFITS

Benefit from our long-established and praxis-proven contracts and partner programs.

YOUR BENEFITS IN SALES

Multiply your returns at low risks.
