NEW MARKETS, NEW BUSINESS – WORDFINDER EUROPE

BRIEFLY

As a German agency based in the middle of Europe, we offer you the unique opportunity to work with us in public relations and sales enforcement across the huge European economic and sales area - without language barriers and with local partners in both markets.

INCLUDED ARE

All Wordfinder services, such as public relations, telesales, newsletters, direct marketing and/or resellers and distributor acquisition.

YOUR BENEFITS

- Bilingual communication
- Local expertise of the market, market participants, and cultural familiarity
- Market entry into the worldwide largest economic and sales area
- Personal contacts in both markets
- Active customer acquisition under your name before and during your market entry

WHY CHOSE WORDFINDER?

Wordfinder has established specialists in both markets, which means: highest efficiency. Products like a "reseller acquisition" moreover constitute minimum risk parallel to a substantially increase of the turnover potential.

YOUR ADDITIONAL BENEFITS

International growth with experienced specialists. Appropriate measures and support during and after a successful market entrance.

YOUR BENEFITS IN SALES

Increase of your turnover through opening up sales potentials in the large European economic and sales area!
